Habakkuk

Last week we learned that God told the Ninevites that He wanted them to be loyal, but they worshipped idols. Nahum said that God is slow to anger. God takes care of those who trust Him.

Read the Bible

READ: Habakkuk 1:2-13; 3:17-18 (Hold your Bible open throughout the story.)

Memory Verse

The Good News shows how God makes people right with Himself. ... It is written, "Those who are right with God will live by faith." (Romans 1:17-18 NIV)

Begin With Prayer

Have you ever thought life was not fair? Have you seen mean people get lots of good things while you try to be good and get nothing?

Habakkuk was a prophet of God. He talked to God about the terrible things that were happening. "Lord, how long do I have to call out for help? Why don't you listen to me? How long must I keep telling you that things are terrible? Why don't you save us?" Habakkuk knew that God could help. He didn't understand the reason God allowed the wrong things that were happening. People were arguing, fighting, and hurting others. People were not treated fairly and there were few who were doing right. (Habakkuk 1:1-4 NIV)

Goals

1. Understand that Habakkuk called out to God for help.
2. Recognize that God was punishing His people, Israel.
3. Learn that God planned to punish the Chaldeans who were evil people.
4. Understand that Habakkuk put his hope in the Lord.

God told Habakkuk that He was punishing His people, Israel. He understood that it was God's judgment against them. But Habakkuk wanted to know the reason God had not stopped the Chaldeans who were evil people.

Sometimes it seems that people who are doing wrong get away with it. It does not seem fair. It does not seem right. Habakkuk told God, "Your eyes are too pure to look at what is evil. You can't put up with the wrong things people do. So why do you put up with those who can't be trusted?" (Habakkuk 1:13 NIV)

What do you think God said? God told Habakkuk that He would take care of their sin in His time. He knew that the Chaldean people were doing wrong and He was going to punish them for it. In fact, He even tells Habakkuk what is going to happen. The Chaldean people will be destroyed! (Habakkuk 2)

Habakkuk — Bible Facts

1. Habakkuk talked to God about the terrible things that were happening.
2. Habakkuk understood that God was punishing His people, Israel.
3. God planned to punish the Chaldeans who were sinful people.

In Chapter 3 we find out that Habakkuk was afraid of what would happen. It said in verse 16 that his heart was pounding and his lips were quivering (trembling). But Habakkuk decided to put his hope and trust in God.

Sometimes it seems that God is far away. It may seem that He is not listening to us. But we can always hope in the Lord. Habakkuk said, “The fig trees might not bud. The vines might not produce any grapes. The olive crop might fail. The fields might not produce any food. There might not be any sheep in the pens. There might not be any cattle in the barns. But I will still be glad because of what the Lord has done. God my Savior fills me with joy. The Lord and King gives me strength. He makes my feet like the feet of a deer. He helps me walk on the highest places.” (Habakkuk 3:17-19 NIRV)

The Bible says that “those who are right with God live by faith.” (Habakkuk 2:4; Romans 1:18 NIRV) Habakkuk knew that God would help him and take care of him. He trusted God and was sure that He would keep him safe. He put his hope in God. We can put our trust in God, too. God sent Jesus to provide a way for us to know God and be with Him forever.
